2024 HiPower Spring Refresh Friday, March 22nd & Saturday, March 23rd

About the Event

We are excited to share some initial details for our *Power Play* Spring Refresh!

This hybrid event is an opportunity for the HiPower community to reconnect and recommit. Our *Power Play* theme this year combines the mission to “refresh” our *Power* with our popular offsite discussion on the importance of “play”.

We'll kick things off on Friday afternoon with a virtual session for all Rings. On Saturday, we will host in-person gatherings in both Sonoma, California and Austin, Texas.
